## 1. WHY SHOULD MY CLIENTS CONSIDER APPLYING FOR A GERBER LIFE WHOLE LIFE INSURANCE PLAN?

Whether your clients want to replace lost income or transfer wealth to a loved one, a Gerber Life Whole Life policy can provide the opportunity for larger face amounts than other life insurance products available from Gerber Life. Our Whole Life policy provides a death benefit, premiums and cash value that are guaranteed so your clients can take comfort in knowing they've got a plan in place to protect themselves and their families.<sup>1</sup>

With Gerber Life Whole Life Insurance, your clients can apply for \$50,000 (age 50 and above must be over \$100,000) up to \$1,000,000 in life insurance coverage. Available to individuals from 18 to 70 years old, Whole Life can provide lifetime insurance protection (as long as premiums are paid) for your clients and their families so they can be prepared should the unexpected happen. It can provide an income to surviving family members or help your clients accumulate funds to potentially draw on in the future.

In addition, there is no required medical exam for applicants under age 51 seeking up to \$300,000 in coverage (simplified underwriting). Most applicants who qualify for simplified underwriting and submit a digital or telephone application will receive a decision within a minute.<sup>2</sup>

## 2. IS THE INSURANCE PROTECTION LIFELONG FOR MY CLIENTS?

Yes. If your clients are U.S. Citizens or permanent legal residents, between the ages of 18 and 70 years old, they can apply for life insurance coverage. If approved, the coverage they obtain will last an entire lifetime, as long as premiums are paid.<sup>1</sup>

## 3. WILL MY CLIENTS' PREMIUM PAYMENTS EVER INCREASE?

No. Your clients' premiums are guaranteed not to increase for the life of the policy, which is an important feature if your clients are on a budget and looking to manage their out-of-pocket expenses.<sup>1</sup>

<sup>1</sup> Policy will remain in force and premiums are guaranteed not to increase as long as payments are made on time and within the Grace Period specified in the policy. Cash value and death benefit will be reduced by any policy loans. The policy loan interest rate is 8%.

<sup>2</sup> Gerber Life will search databases for prescription history, motor vehicle records and medical information in order to provide an almost instant decision (within a minute) for most of the digital and telephone applications submitted.

#### 5. WHAT IS THE ACCELERATED DEATH BENEFIT (ADB) RIDER FOR WHOLE LIFE?

In the unfortunate event of a terminal diagnosis with a life expectancy of 12 months or less, the ADB Rider allows your clients to request a one-time advance of up to 50% of the death benefit to help offset costs associated with their illness or for any other use.<sup>4</sup>

#### 6. WHAT IS THE DISABILITY WAIVER OF PREMIUM RIDER?

The Disability Waiver of Premium Rider can be added to the policy at a cost. It's an inexpensive way for your clients to maintain their coverage while being disabled as it will free them from paying premiums during the time of their disability when their income might be reduced. The Disability Waiver of Premium Rider is not available in California.

#### 7. DOES THE POLICY BUILD CASH VALUE?

Yes. The cash value is guaranteed. The longer your client owns the policy, the more cash value the policy accumulates.

#### 8. ARE ILLUSTRATIONS REQUIRED?

There are no required illustrations. Since Gerber Life's Whole Life Insurance is fully guaranteed,<sup>1</sup> illustrations are not needed, which makes the sales process that much easier.
