This guide is intended to assist producers with the probable underwriting decisions upon review of an application based on an applicant's medical history. The underwriting department reviews each application for potential risk upon the various circumstances that each applicant presents. It is important to note that the underwriters make decisions based on the documentation received along with other factors that may affect the final decision.

This guide is presented for the exclusive use of appointed producers and is not intended for general public distribution.

PAGE

Junior Build Charts

Normal growth is categorized in a range used by pediatricians to gauge how a child is growing. The following are some average ranges of weight and height, based on growth charts developed by the Centers for Disease Control and Prevention (CDC):

Age	Height -	Height -	Weight -	Weight -
	Females	Males	Females	Males
1	27 to 31 inches	28 to 32 inches	15 to 20 pounds	17 to 21 pounds
2	31.5 to 36	32 to 37	22 to 32	24 to 34
	inches	inches	pounds	pounds
3	34.5 to 40 inches	35.5 to 40.5 inches	26 to 38 pounds	26 to 38 pounds
4	37 to 42.5 inches	37.5 to 43 inches	28 to 44 pounds	30 to 44 pounds
6	42 to 49 inches	42 to 49 inches	36 to 60 pounds	36 to 60 pounds
8	47 to 54	47 to 54	44 to 80	46 to 78
	inches	inches	pounds	pounds
10	50 to 59	50.5 to 59	54 to 106	54 to 102
	inches	inches	pounds	pounds
12	55 to 64	54 to 63.5	68 to 136	66 to 130
	inches	inches	pounds	pounds
14	59 to 67.5	59 to 69.5	84 to 160	84 to 160
	inches	inches	pounds	pounds
16	60 to 68	63 to 73	94 to 172	104 to 186
	inches	inches	pounds	pounds

- Ulcerative Proctitis or Hemorrhoid treatment likely
- Unspecified Hearing Loss or Deafness
- Unspecified Hyperglycemia
- Urethral Stricture
- Urethroplasty
- Varicose Vein Treatment
- Vertebral Fracture or Dislocation
- Vertigo
- Xerostomia

Medical Conditions/Medical Rx

Graded: Approved

Simplified Issue: Asthma approved for SI other medical conditions listed here would need Underwriter Review and possible additional information

Whole Life, 20 Pay Life, Life paid up at 65 & Single Premium Whole Life: All Conditions listed would need Underwriter Review and possible additional information

For Simplified Issue:

Definition of Uncontrolled Diabetes:
Non-Compliant with Medication
Hemoglobin A1C Score of 8 and Over or Fasting Glucose 170 Over
Any Diabetic Complications

ER Visits due to Diabetes
Hospital stays due to diabetes

Definition of Uncontrolled High Blood Pressure: • Non-Compliant with Medication

- Blood Pressure Reading Over 140/90
- Blood Pressure Reading Under 90/40
 - Change in Medication
- ER Visits due to blood pressure
- · Hospital Stays due to high blood pressure

Alcohol/Drug Abuse Conditions/Medical Rx - Declined

Graded: Approved

Simplified Issue: Decline within 2 years, then will need underwriter to review Whole Life, 20 Pay Life, Life paid up at 65 & Single Premium Whole Life: Auto Decline 3 years, then need underwriter to review

- Alcohol addiction
- Alcohol Induced Pancreatitis
- Alcohol Abuse
- Alcoholic Cardiomyopathy
- Alcoholic Liver Disease
- Alcoholic Neuropathy
- · Alcoholism, Dependence or Withdrawal
- Cocaine Abuse
- Drug/Alcohol Services
- Hallucinogen Abuse
- Heroin Use

- Methadone Abuse possible
- Multiple Drug Abuse
- Opioid Abuse
- · Opioid Overdose Treatment
- Opioid Use or Dependence
- Sedative Use or Dependence
- Sedative/Hypnotic Abuse
- Stimulant Abuse
- Stimulant Use or Dependence
- Substance Abuse
- Volatile Solvent Abuse

Blood Pressure Conditions/Medical Rx - Declined

Graded: Approved

Simplified Issue: Decline within 2 years then will need underwriter to review Whole Life, 20 Pay Life, Life paid up at 65 & Single Premium Whole Life: Underwriter Review

These medical conditions would indicate blood pressure is "uncontrolled"

Definition of Uncontrolled High Blood Pressure: • Non-Compliant with Medication • Blood Pressure Reading Over 140/90 • Blood Pressure Reading Under 90/40 • Change in Medication • ER Visits due to blood pressure • Hospital Stays due to high blood pressure

Hypertensive Crisis (Urgency, Emergency)

· Non-compliant on medications

Cancer/Tumor Conditions/Medical Rx - Declined

Graded: Approved

Frequently Asked Questions

- 1. What are the cut off dates to submit applications to New Business?
 - Applications received and approved by the 10th of the month will have an issue date of the 16th of the month Commission paid weekly, if UW approved and initial premium drafted by 5:00 on Tuesday.
 - Applications received and approved by the 22nd of the month will have an issue date of the 1st of the month Commission paid weekly, if UW approved and initial premium drafted by 5:00 on Tuesday.

2. How to submit applications to New Business?

- By Fax at 617-426-2322
- By Mail at 61 Batterymarch St., 6th Floor Boston, MA 02110
- By Email newbusiness@royalarcanum.com,or by using the share folder:
- By Share File: http://www.royalarcanum.com/agents/sharefile.html.
- By DocuSign http://www.royalarcanum.com/agents/index.html click on DocuSign
- 3. Who has an insurable interest on an Insured?
 - Spouses
 - Parents, Children and Adopted Children
 - · Grandparents and Grandchildren
 - Siblings
 - Engaged Couples
 - All other relationships listed we will confirm with Agent the insurable interest.

4. Who does not have an insurable interest on an Insured?

If the following relationship is listed for Beneficiary then we need to e-mail the agent and confirm the insurable interest. For Charity names listed or a funeral home \$10,000 and under is ok but we need name, address, and phone number.

- Stepparents and Stepchildren
- Nieces and Nephews
- Cousins
- Uncles and Aunts
- Friend
- Charity

5. If the Beneficiary is listed as "Estate of Jane Smith"; then we will need the paperwork that was set up for the Estate.

6. What happens if an application is withdrawn because the initial draft was not received?

• The application must be re-signed and re-dated by both the agent and the applicant and then the application may be faxed in for reprocessing.

Frequently Asked Questions continued...

7. What happens if a policy is mailed to the insured or agent and the automatic draft/check later fails or is returned by the bank due to insufficient funds, a closed bank account, or any other reason?

• The policy becomes void and the applicant will have no active policy with Royal Arcanum.

8. Who signs what on an application?

• Adult Applications: If insured is also the owner. All forms need to be signed by the insured. Application, Statement of understanding, Medical Release form, Notice of Information Practices (MIB Form), Payment Form (either the Check-O-Matic Form or the Credit Card Authorization Form), for NY agents we also need the Life Suitability Best Interest Questionnaire Form and the NY Replacement Form.

• Adult Applications: If the owner is someone other than the insured. The insured needs to sign the application, Medical Release Form, Notice of Information Practices (MIB Form), Payment Form (either the Check O Matic Form or the Credit Card Authorization Form) if they are paying for the coverage. Then the owner needs to also sign the application, Statement of Understanding Form, and for NY agents we also need the Life Suitability Best Interest Questionnaire Form and the NY Replacement Form.

• Junior Applications: If the parent is the owner. The parent needs to sign the application, Medical Release Form, Notice of Information Practices (MIB form), Payment Form (either the Check O Matic Form or the Credit Card Authorization Form) if they are paying for the coverage. For NY agents the parent also needs the Life Suitability Best Interest Questionnaire Form and the NY Replacement Form.

• Junior Applications: If someone other than the parent is the owner. The parent needs to sign the application, Medical Release Form, and the Notice of Information Practices (MIB Form), Payment Form (either the Check O Matic Form or the Credit Card Authorization Form) if they are paying for the coverage. Then owner also needs to sign the application, Statement of Understanding Form, and for NY agents we also need the Life Suitability Best Interest Questionnaire Form and the NY Replacement Form.

How to read the Simplified Issue Questions

In the past 2 years, have you been diagnosed, received medical advice, received treatment, or taken medications for the following:

If the insured has a new diagnosis in the last 2 years for any of the following conditions?

Mental/Nervous Disorder: Depression, Anxiety, Bipolar, Dementia, Attention Deficit/ Hyperactivity Disorder Schizophrenia, OCD, Autism, PTSD Friederichs Ataxia, Huntington's Disease, Lewy Body Disease, Parkinson Disease, Spinal Muscular Atrophy

Neurological Disorder: Ataxia, Bell's Palsy, Brain Tumors Cerebral Aneurysm, Headaches- Cluster, Tension, , Head Injury, Herniated Disc, Epilepsy And Seizures, Multiple Sclerosis (MS), Muscular Dystrophy, Neurocutaneous Syndromes Parkinson Disease, Infections- Meningitis, Encephalitis, Polio Epidural Abscess, Vascular Disorder, - Stroke TIA Subarachnoid Hemorrhage, Subdural Hemorrhage, Hematoma, Extradural Hemorrhage, Guillain-Barre Syndrome, Alzheimer's Disease, Amyotrophic Lateral Sclerosis (ALS) Acute Spinal Cord Injury Or Conditions Related to the Spine.

Liver Disease: Nonalcoholic Fatty Liver Disease, Hepatitis, Hemochromatosis, Fatty Liver, Cirrhosis, Liver Cancer, Chronic Liver Disease, Liver Failure, Jaundice, Alcoholic Liver Disease, Primary Biliary Cholangitis, Ascites, Wilson Disease, Gastrointestinal Disease, Acute Liver Failure, Ascending Cholangitis, Hepatic Encephalopathy, Primary Sclerosing Cholangitis, Iron Overload, Hepatotoxicity, Alpha 1 Antitrypsin Deficiency, Necrosis

Heart Disease: Coronary Artery Disease, High Blood Pressure, Cardiac Arrest, Congestive Heart Failure, Arrhythmia- Fluttering in Your Chest, Tachycardia, Bradycardia, Chest Pain or Discomfort, Shortness of Breath, Lightheadedness, Dizziness, Fainting, Peripheral Artery Disease, Congenital Heart Disease, Atherosclerotic Disease, Cardiomyopathy, Heart Infections-Endocarditis, Valvular Heart Disease, Congenital Heart Defects

Circulatory Disease-Heart and Blood Vessels: Atherosclerosis, Hypertension, Abdominal Aortic Aneurisms, Peripheral Artery Disease, Aneurysms, Vascular Malformation, Mitral Prolapse, Angina Pectoris, Arrhythmia, Ischemia, Chronic Venous Insufficiency, Endocarditis, Acute Coronary Syndrome, Pulmonary Valve Stenosis, Thrombophlebitis, Temporal Arteritis, Ventricular Tachycardia, Congenital Heart Defects

Cerebrovascular Disease: Carotid Stenosis, Vertebral Stenosis, Intracranial Stenosis, Aneurysm, Vascular Malformations, Thrombosis, Embolism Hemorrhage Kidney Disease: Abderhalden-Kaufmann-Lignac Syndrome (Nephropathic Cystinosis, Abdominal C ompartment Syndrome, Acetaminophen Induced Nephrotoxicity, Acute Kidney Failure/Acute Kidney Injury, Acute Phosphate Nephropathy, Acute Tubular Necrosis, Adenine Phosphoribosyl Transferase Deficiency, Chronic Kidney Disease

Emphysema, Chronic Obstructive Pulmonary Disease, Cancer (All Types), Stroke, Alcohol/Drug Abuse, Heart Attack

How to read the Simplified Issue Questions Continued

If the insured has received a new diagnosis for any of the above medical conditions, they must answer Yes to the related medical question and they would not eligible for the Simplified Issue/Final Expense Product. They can apply for either the Graded (if eligible) or Fully Underwritten Products and we will underwrite the medical condition(s).

In the past 2 years: received medical advice for the following.

If the insured has gone to their doctor to discuss any of the medical conditions (including any follow ups) the insured must answer yes. Not eligible for the Simplified Issue/Final Expense product. Apply for either the Graded (if eligible) or Fully Underwritten Products and we will underwrite the medical condition.

In the past 2 years: received treatment

If the insured has had received medical care (Example: Gone to the doctor, had any medical lab tests, MRI, EEG, EKG) any type of treatment for any medical condition listed on page 3 of above) the insured must answer yes. Not eligible for the Simplified Issue/Final Expense product. Apply for either the Graded (if eligible) or Fully Underwritten Products and we will underwrite the medical condition.

In the past 2 years: taken medications

If the insured has had taken any medications (including maintenance medications) for any medical condition listed on page 3 of above) the insured must answer yes. Not eligible for the Simplified Issue/Final Expense product. Apply for either the Graded (if eligible) or Fully Underwritten Products and we will underwrite the medical condition.
